ELECTRIC REACH TRUCK

1,400 to 2,500 kg Capacity
Mast moving type

Quick & Smart

QUICK MOVEMENT ENHANCED PRODUCTIVITY

9 Series reach truck reborn with high performance. High travel speed & High lifting/lowering speed bring you innovative productivity. Compact size of truck and visibility will allow you quick operation.

Quick Drive Quick Mast

15% increased driving speed
10% increased lowering speed
20% increased lifting speed
Work more productively

Maximum driving speed 15%

Visibility

The design process has had the operator in mind, giving excellent visibility of the fork tips improving productivity.

Through the OVHG

Through the mast

Beside the mast

150mm,
12% decrease

Compact Line-up

Narrower width and shorter length reduces turning radius. Operator can enter and exit the aisle quicker.

Mast Stability

An expert task force comprising of a Structure Engineer, Hydraulic Engineer, Electric Control Engineer and Vibration Engineer has helped to develop a truck that is safer and quicker to operate. Vibration comes to a stop 40% faster than before.

GSS Control

Doosan GSS (Guardian Stability System) will protect you from un-expected operation mistake. Smart control alerts you of danger and reduces speed automatically.

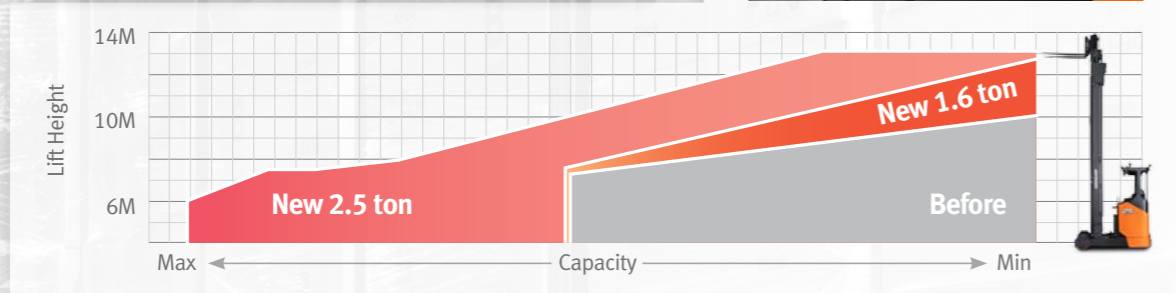

High Capacity

Smart sensor control provides greater stability. Stability makes 1t residual capacity at 13m mast. * BR25JW-9 chassis

SMART CONTROL ENHANCED STABILITY

9 Series reach truck reborn with high performance. High travel speed & High lifting/lowering speed bring you innovative productivity.

ALL NEW 9 SERIES ENHANCED COMFORT

New Line-up

Narrow and heavy type added to line up.
Reinforced STD model.
You can experience optimized model for your warehouse.

User Friendly Interior

Highly considered interior design provides you large and variable storage space. Ergonomic design also allows you comfortable operating position.

About Doosan

Values that drive our future growth

Trust in people is the foundation on which Doosan has built its century of success

Doosan has always put 'People' first for the past 100 years, based on our management philosophies.- 'Business is not meant to make profits, but to help people grow.' (Late Too Pyung Park, First Chairman), and continues to spur corporate development with global competitiveness originated from human resources.

Doosan the oldest, but fastest growing company

Doosan has recorded the longest business history since its inauguration in 1896, but has grown at its most rapid pace for the past 10 years.

Doosan-the global Infrastructure Support Business (ISB) company

Doosan has created in excess of 90% of its sales within the ISB sector through vigorous reorganisation of its business portfolio since 1998. In the past, 70% of our business was concentrated on consumer goods, but we have successfully transformed our business DNA to the infrastructure support business that constructs and reinforces social infrastructure.

Doosan, surging as a global company

Doosan has become the global ISB leader based on its world class products and services. In addition, as a true global company, Doosan's overseas employees encompass 50% of its human resources, and overseas sales take more than over 60% of the total sales.

Doosan Bobcat - Skid-steer Loader

Committed To Our Customers
We are committed to our customers, providing superior products and excellent services to go with them into the future.

Doosan Heavy - Marine engines

Committed To Innovation
We remain committed to the advancement of new technologies and development of talented individuals, positioning us to respond effectively to the rapid changes taking place in the 21st century. Our mission is to strengthen our global position and become the industry leader well into the future.

Doosan Robotics
Doosan Robotics - H Series

Doosan Way
